## Residential Plot for sale in Jávea

€475,000

#13;

Beautiful building plot of over 1700m2 for sale in Jávea, located in a unique location bordering the national park and with beautiful sea views. The center of Jávea is easily accessible and is only 1.3 km away. The building plot is south-oriented and a building license is included in the sales price, so you can start building a villa immediately...
