### Detached Villa for sale in Denia

€650,000

Large villa ready to move into in one of the most demanded areas of Dénia. 1 km from the city centre and about 700 metres from supermarkets. This is an area that brings together proximity to the town, the sea and services, sun all day and all year round and a neighborhood that largely lives all year round in the area. The house consists of two...
