## Country house for sale in Manacor

€2,500,000

This more than 200 year old country estate in Manacor with about 160,000 m2 of land and 1,435 m2 of constructed surface was once the stately centre of the extensive agriculture and livestock farming. The property consists of various parcels, one of them is individually buildable. A chapel in the entrance hall, which has impressive vaulted ceilings...
