

Land for sale in Jávea

€120,000

This 1000m2 building plot is on the edge of the protected Ambolo forest in the hills above Javea.

The boundary rockery has already been constructed and the site has views over the pine forest green belt in a peaceful location. There is a choice of 3 plots altogether and the price is reduced even further to 295.000€ for all 3 plots if they are...
